

Celebrating Excellence

Note From The Chair

Congratulations!

As CPABC's chair, it gives me great pleasure to recognize the 2023-24 Member Recognition honourees. These 27 members bring honour and distinction to our profession as innovators, strategists, and trusted advisors. They have contributed their expertise widely and generously, within our profession, the business community, and with charitable and not-for-profit organizations. We are proud to celebrate them for their outstanding impact in all of these areas and for truly making a difference through their commitment, actions, and significant contributions.

On behalf of the CPABC board of directors, congratulations to each of the honourees!

Chris Gimpel, CPA, CA
CPABC Chair
