CHARTERED
PROFESSIONAL
ACCOUNTANTS
BRITISH COLUMBIA

a message from the chair

To our graduates:

On behalf of the Chartered Professional Accountants of British Columbia, I would like to extend my congratulations on reaching this important day.

Throughout your rigorous program of studies, you have challenged yourself to acquire professional knowledge, values, and ethics, and you have applied your education to solve real-world problems. Now it is time to celebrate everything that you have worked so hard to achieve!

The CPA designation ensures that you have a foundation of skills required to be an effective business leader in any sector. While our business environment is experiencing ongoing challenges caused by the pandemic, you are equipped with the forward-looking skills that clients and organizations need to face the future. Your strategic insight and ability to embrace new ways of working are essential to navigate challenges and achieve sustainability.

CPAs are also trusted business advisors and sources of ethical leadership. Our designation is the pre-eminent internationally recognized Canadian accounting and business credential that best protects and serves the public interest. Clients and organizations will look to you for this expertise.

Graduates, I hope you feel immensely proud of what you have achieved. Continue to develop your professional knowledge as you have done during your studies – your capacity to keep learning and challenging yourself will support your continued career success.

I wish each of you the very best.

Sincerely,
