Please note:

- A minimum grade of 50% is required for all non-core courses, but a minimum grade of 60% is required for all core courses. Please be aware, a minimum GPA of 65% or higher is required for entry into PEP, as calculated by averaging grades associated with all core PEP prerequisites.
- Unless otherwise noted, all of the required courses for each module must be completed for exemption.
- A single course may appear against more than one subject area in cases where it covers competencies across multiple content areas.
- All required courses for each subject area exemption, with the exception of those equivalent to Introductory Financial and Management Accounting, Economics, Business Law and Statistics must have been completed within ten years of enrollment into CPA PEP.

Disclaimer:

- Transfer credits are assessed according to the requirements in place at the time the course(s) had been taken and exemption will be granted provided the course(s) meet the currency of education and grade requirements for CPA PEP.
- Courses completed prior to CPA's establishment in 2013 are assessed according to the 2013 CPA transfer credit guides or known recognized equivalencies, provided they meet the 10-year currency of education policy for core prerequisites.
- Applicants are advised that if they have not met the current prerequisite requirements at the time of PEP admission, knowledge gaps may exist. Self-study materials may be accessed upon PEP registration and it is the responsibility of the applicant to ensure they have the required knowledge to support successful completion of the PEP requirements.
