

Recognizing Excellence!

Note from the Chair

Inspired Achievement

Dear colleagues, family members, and friends,

We are thrilled to introduce the 2024-25 Member Recognition honourees. The members we are celebrating are distinguished innovators, strategists, leaders, and trusted advisors. Through their commitments and accomplishments, they have brought honour to our profession. By widely and generously giving of themselves and their expertise, they have gone above and beyond to positively impact our profession, the business world, and our broader communities.

We are very proud to celebrate their achievements and we are inspired by their contributions.

On behalf of the CPABC board of directors, congratulations to each of the honourees!

Peter Guo, CPA, CA
CPABC Board Chair
