## Part 5 Submitting a nomination file

Nominators are responsible for ensuring that the file is complete and that the information it contains is accurate and sufficient to allow the Member Recognition Committee to fairly evaluate the nomination.

While the nomination file must be complete in itself, nominators should be aware that the Member Recognition Committee reserves the right to have the main facts in support of a nomination validated by an outside source.

The recommendations of the Member Recognition Committee and the decision of the Board of Directors will primarily depend on the care taken to describe the member's achievements.

Once the CPABC Board of Directors has approved the awards, the award recipients will be contacted directly. For candidates not selected, the nominator will be contacted, as the nominee may not be aware that they have been nominated.
