

Summary of Amendments to Bylaw Regulations from March 2019

Yukon Bylaw Regulations

MARCH 2019

Part 5 Membership

Limitations on Registrar's Authority 500/1(1)(c)(ii) was deleted to repeal the limitation that prevented the Registrar from admitting to membership a student who re-enrolled in CPA PEP after having their enrolment cancelled. Re-enrolment is allowed under education policies, and students who have failed out of the program may re-enrol if they start at the beginning of the program.

Part 6 Continuing Professional Development

Continuing Professional Development: Basic Requirements 600/1 Minor amendments were made to two definitions. In the definition of "**ethics hours**," the descriptor of ethics was changed from "business" to "professional." In the definition of "**verifiable qualifying hours**," the requirement for "third-party" verification was deleted.

Continuing Professional Development: Basic Requirements 600/2 (4) was amended for clarity, with specific reference added to the annual CPD requirement. This provision applies to members admitted under **Bylaw 501(5) to (9) or section 35(2) of the Act**.

CPD Program: Basic Requirements Bylaw Regulations 600/2 sections (5) was deleted, as it was a transitional provision referring to legacy CA and CMA members and had expired. **Bylaw Regulation 600/2(6)** was subsequently renumbered as **600/2(5)**.

Continuing Professional Development Program: Post-Admission Requirement for Foreign Qualified Members 600/3 was amended to broaden the scope of the CPD requirements to reflect requirements and sanctioning for post-admission CPD requirements under new or newly renegotiated Mutual Recognition Agreements and Reciprocal Membership Agreements. The amendments outline the requirement for either post-admission CPD coursework or a reciprocity exam. In addition, the coursework requirements have been broadened to add more flexibility

Retention of Documentation 600/6 was created to establish a retention requirement for verifiable CPD supporting documentation. This documentation

must be retained for at least five years in order to objectively verify the CPD claimed.

Part 7-Licensure for Public Practice

Competency Declaration for Audit Licensees 704/5 was added to the bylaw regulations. New and existing audit licensees will be required to declare that they have undertaken sufficient relevant continuing professional development (CPD).

Part 13-General

Transition 1301/2(2) was amended to extend the transitional provisions for legacy professional liability insurance holders.
