### NON-CORE COURSES

- Course exemptions are granted according to the approved CPA transfer credits in place when a course(s) was taken, provided the course(s) meets the applicable grade requirements and the 10-year currency of education for core prerequisites (see section 11.3 in HEP Vol. 1). CPA PEP admission may require the completion of updated course(s) for any expired exemptions.

- Applicants who receive exemptions based on previous transfer credit guides might have knowledge gaps and are encouraged to fill those gaps. Self-study materials are available after CPA PEP admission; applicants are responsible for ensuring they have the knowledge required to support successful completion of the CPA PEP requirements.

- A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.

---

### Disclaimer

- Applicants are required to complete a 120-credit hour degree or equivalent before admission to CPA PEP.

- For entry into CPA PEP, a minimum grade of 60% is required and a minimum GPA of 65% is required in all Core Courses. A passing grade is required for all non-core courses.

- Applicants missing one or more of the required courses for direct admission into CPA PEP may complete equivalent coursework through CPA preparatory courses delivered by the CPA Western School of Business (CPAWSB) and/or from a recognized post-secondary institution.

- Where two or more courses are required to meet a CPA prerequisite, CPAWSB recommends completing those courses through one post-secondary institution to ensure all required content is covered. Exemptions may not be granted for courses completed through multiple post-secondary institutions.

- A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.

**Mandatory for entry to CPA PEP (starting Jan 2022)**

This information is subject to change. Last updated: Jan 2021
Applicants are required to complete a 120-credit hour degree or equivalent before admission to CPA PEP.

For entry into CPA PEP, a minimum grade of 60% is required and a minimum GPA of 65% is required in all Core Courses. A passing grade is required for all non-core courses.

Applicants missing one or more of the required courses for direct admission into CPA PEP may complete equivalent coursework through CPA preparatory courses delivered by the CPA Western School of Business (CPAWSB) and/or from a recognized post-secondary institution.

Where two or more courses are required to meet a CPA prerequisite, CPAWSB recommends completing those courses through one post-secondary institution to ensure all required content is covered. Exemptions may not be granted for courses completed through multiple post-secondary institutions.

A course may count as an exemption for more than one prerequisite if it covers competencies across multiple subject areas.

---

### Disclaimer:

- Course exemptions are granted according to the approved CPA transfer credits in place when a course(s) was taken, provided the course(s) meets the applicable grade requirements and the 10-year currency of education for core prerequisites (See section 1.1.3 in HEP Vol. 1). CPA PEP admission may require the completion of updated course(s) for any expired exemptions.
- Applicants who receive exemptions based on previous transfer credit guides might have knowledge gaps and are encouraged to fill those gaps. Self-study materials are available after CPA PEP admission; applicants are responsible for ensuring they have the knowledge required to support successful completion of the CPA PEP requirements.
