“Build Your Own” Frame.

Leader Frames’ website offers you the choice to design your own frame for your CPA certificate where you can pick from numerous frame mouldings and colour combinations and see how your frame will look in real time.

Visit the Leader Frames website for current prices of CPA branded frames and available discounts or promotions exclusive to CPA BC members.

Safe and Sustainable Products

All wood and paper products are sourced from certified and well managed forests. All metals, paints and stains are free of any lead and toxins.

Easy Insertion

The “Quick-change” frame backing with swivel clips allows for quick and easy insertion of your certificate. No hooks or wire required for hanging. (Click here for framing instructions)

Document Protection

Only acid free paper and matboard and UV filtered acrylic facing is used to prevent any discoloration of your certificate.

Proudly Made in Canada

All frames are made and assembled by Leader Frames, Toronto, Ontario.
